The Office of Student Services will complete the section below. A checked box indicates that the prerequisite has been met. All prerequisites must be completed before beginning the program. Please contact edinfo@uw.edu for a list of community college equivalents.

Met	Prerequisite	Course	Institution
<input type="checkbox"/>	<b>Math for Elementary Teachers</b> - Basic concepts of numbers and operations. Emphasizes problem solving, communication of mathematical ideas, and analysis of sources of difficulty in learning/teaching these concepts.		
<input type="checkbox"/>	<b>Child Development</b> - Theoretical perspectives and research methods in child development with an overview of historical and current works. Includes prenatal and biological development, the development of cognitive, linguistic, and social and emotional abilities		

*Evaluation:* \_\_\_\_\_
