8. Strategic Plan Foundational Work Part 1: Envisioning an Organizational Structure that Supports Our Work as a College & Our Goals as Faculty (Betina, Carly, Courtney) [20 minutes] – Drawing from the recent survey on area/ organizational structure, what do we see as potential ways to organize ourselves that build upon what's currently working with areas, addresses current concerns, and supports our future collective work, knowing that any organizational structure will have affordances and challenges (i.e. one structure cannot fit all)? How can we balance a vision for faculty collaboration & intellectual homes with faculty governance and administrative needs for faculty participation & information sharing?
9. Strategic Plan Foundational Work Part 2: Considering a College Strategic Plan in an Age of AI – What should we be considering in relation to the use of AI in education? How can we begin to more deeply engage with AI in education (both in our own COE contexts and in the work of school & community educator/leader preparation)? (Phil/Katie) [20 minutes]
